

PRODUCT UPDATE

No. 251

Date: 27.09.2012

Multi-Tool **Cat. No.: 89102455**

The **Multi-Tool** is a new simple multi functions device which allows you to operate a lock without installing the cylinder and by using its measuring scale you can also define the optimal cylinder length!

The spindle substitute device includes 3 dimensional squares (7, 8 and 10mm) to enable the latch operation.

The **Multi-Tool** is available from stock for your convenience!

First 10 **Multi-Tools** in the first order will be given F.O.C and for more the Price is \$5.00/ 4.00€ per 10 pieces.

Please contact your sales coordinator now and place your order.
