Unifying lengths of Key blades

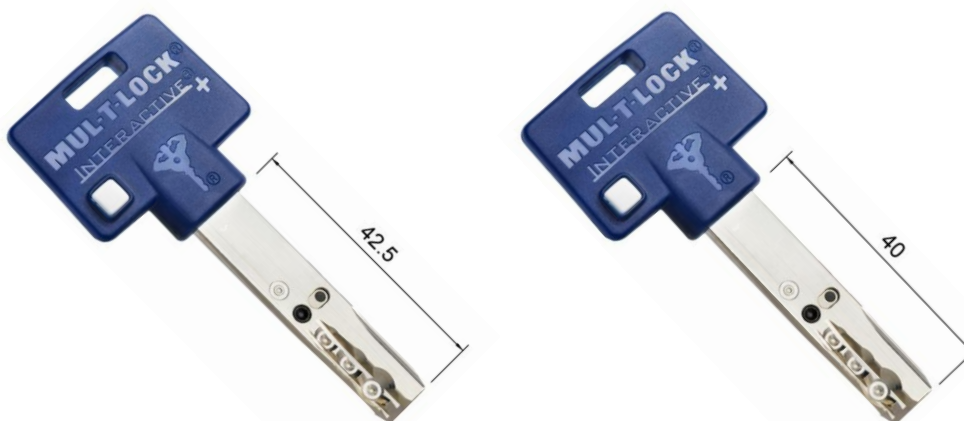

Currently we are supplying 3 different lengths:

38.5 mm, 40 mm & 42.5 mm.

In order to adapt our key blanks to market demands and achieve better production efficiency we have decided to unify the length of 38.5 to 40 mm.

As a result from this change there will be only 2 lengths available: 40 & 42.5 mm.

This change is applicable to all platforms and effective from 4/11/2012
