MT5+ Metal Key

In our constant product evaluation and improvement process according markets request we are pleased to announce that starting September 2016 Metal keys are available to order for MT5+ keying technology.

The above complete our metal key range to comply with all of our keying technologies.

MT5+ Metal key and Interactive+ will share the same design of Metal key head but with relevant details (logo etc...).

We trust you will take the advantage to leverage sales of MT5+ platform.

Please contact your marketing coordinator for ordering the new MT5+ Metal key.
