## **MTL800 Euro Cylinders - Update Supply Chain**

As part of our ongoing efforts to improve our service, reflected by product availability and shorter lead times, we have decided to update the supply chain of MTL800 Euro cylinders.

Starting Jan 1<sup>st</sup>, 2022, Mul- T-Lock will produce and supply assembled runners MTL800 Euro cylinder from the factory, **only** in the lengths specified below:

length	A	B
62	31	31
66	33	33
66	31	35
70	35	35
71	33	38
80	40	40
81	31	50

**All other MTL800 Euro cylinder lengths** will be handled locally by you or your customers **using MUL-T-LOCK Modular system.**

We aim to encourage the usage of the MTL Modular system by the locksmiths.

MTL800 Euro cylinder lengths which aren't specified above, will no longer be available for future orders from our factory.

# PRODUCT UPDATE

## Exceptions

Mul-T-Lock will accept orders for lengths which aren't specified in the table above in the following cases:

1. Order of 100 units or above.
2. Part of MKS.

The orders will be provided fully assembled by the factory.

## Preparation

This move require internal and external preparations, such as in-house training, logistics and marketing reviews with a special offering promoting the Modular kit and Modular components.

A special offer by Mul-T-Lock HQ will be communicated in Q4 2021 to support this initiative.

You are asked to communicate the upcoming change to your customers as early as possible and no later than October 15<sup>th</sup>, providing them with sufficient time to prepare with required components, equipment and training.
