MVP™1000 – Technical and marketing material

As an integral part of the MVP™1000 launching process, we are pleased to share with you the product's technical and marketing materials.

Enclosed in the attached PDF is a complete Marcom package, offering a variety of technical and marketing materials. This document functions as a catalog, providing direct links to both printable and editable files for effortless customization. [Link to the open PPT file >>](#)

We believe that the variety and quality of these materials will serve as effective tools for you and your customers in successfully launching the product in your market.

We would like to emphasize that the MVP™1000 is versatile and can be applicable to various uses beyond van locking.

We are looking forward for your order! 😊
